

# Describe an Actor or Actress Whom You Admire

Here is the first sample answer for your cue card: “Describe an Actor or Actress Whom You Admire.” You can frame your answer in the following format.

## Introduction

Entertainment is something that no one can live without. There are many popular movie actors who are living legends and they have a huge fan following.

## Who he/she is?

Today, I will discuss about my favourite Bollywood actor, Ranbir Kapoor. Renowned as the heartthrob of Indian cinema, Kapoor commands a vast fan base spanning all age demographics. His global recognition underscores his enduring popularity across international audiences.

## What does he/she look like?

Ranbir is fair and has a decent height. Along with good looks, he has an endearing personality and excellent communication skills. His commitment to fitness is evident in his well-maintained physique, often showcased through his participation in football, both in personal endeavors and as a team owner, thereby inspiring youth engagement in sports.

## What kind of movies does he/she appear in?

He appeared in several movies and made a mark. His versatile acting skills recently attracted an audience when I watched his movie Sanju, a biopic on another popular Bollywood actor. He portrayed the character in the most effective way. I have also watched his romantic and comedic movies, which were fun to watch. He played the role of a politician in the movie Rajneeti, which was marvellous.

## And explain why you admire this actor/actress.

I admire him as he looks the most handsome and has an attractive personality. His acting skills are unbelievable. I feel he can do justice to any character given to him in the movies. Moreover, despite his stardom, he's known for his down-to-earth personality. His humility and fame make him not just a great actor, but also a remarkable human being.

## **Conclusion**

Overall, Ranbir Kapoor is not just an actor but a role model admired for his talent, resilience and determination. So this is the actor I admire the most.
