

## **Celebrity & Computer**

Do you use computers?

What do you use a computer to do?

Did you use computers when you were little?

Do people often use computers these days?

Will people continue to use computers in the future?

Who is your favorite celebrity?

Do you like any foreign celebrities?

Would you want to be a celebrity in the future?

Do you think we should protect famous people's privacy?

How do celebrities influence their fans in your country?
